Volume contents

March 1995, Volume 12, Number 1, pp. 1–88

Review article

1 *R. A. Little, E. Kirkman, P. Driscoll, J. Hanson & K. Mackway-Jones* Preventable deaths after injury: why are the traditional 'vital' signs poor indicators of blood loss

Original papers

15 *R. M. Makower, A. G. Pennycook & R. Crawford* Women attending an accident and emergency department after assaults

20 *G. S. Johnson & H. R. Guly* The effect of pre-hospital administration of intravenous nalbuphine on on-scene times

23 *D. I. Flitcroft, M. Westcott, R. Wormald & R. Touquet* Who should see eye casualties?: a comparison of eye care in an accident and emergency department with a dedicated eye casualty

28 *D. K. Nouri, N. Rashid & C. N. J. Jenkins* Out-of-hours radiographs: the effect of resident register cover

30 *S. Britten, M. S. Whiteley, P. F. Fox, M. I. Goodwin & M. J. Horrocks* The Glastonbury Festival 1993: pattern of attendances and admissions to an NHS Trust

32 *T. Llewellyn, R. Roden & V. O'Neill* Support for victims of assaults and domestic violence: are accident and emergency departments doing enough?

34 *T. W. Wong & K. C. Yeung* Out-of-hospital cardiac arrest: two and a half years experience of an accident and emergency department in Hong Kong

40 *J. P. Wyatt & M. Watt* Violence towards junior doctors in accident and emergency departments

Case reports

43 *P. J. Leo, J. J. Sachter & M. Melrose* Heroin bodypacking

49 *J. K. Dawson, S. M. Earnshaw & C. S. Graham* Dangerous monoamine oxidase inhibitor interactions are still occurring in the 1990s

52 *R. Hartrey & R. Bingham* Pharyngeal trauma as a result of blind finger sweeps in the choking child

55 *A. J. Levine & F. J. Collins* Blunt traumatic pericardial rupture

57 *S. J. McGovern* Self-castration in a transsexual

59 *J. Ryan, C. B. Taylor, G. D. R. Bryant, A. T. Nayagam & J. Sanders* HIV malingering in the accident and emergency department

62 *N. A. Frost, P. R. Chaudhuri & T. B. Hassan* Iris dialysis and retinal dialysis caused by coin throwing

64 *J. Ryan, C. Perez-Avila, A. Cherukuri & B. Tidey* Using a metal detector to locate a swallowed ring pull

Short reports

66 *A. A. Milne & T. R. J. Parke* Breakfast bar palsy

66 *D. C. Hulbert, G. P. Bray & M. W. Beckett* The management of paracetamol overdose by junior doctors

67 *J. R. Andrews & R. J. Evans* Selenops radiata bite

67 *M. Gavalas, S. Harris & N. Maffulli* Fracture of the accessory navicular

68 *R. Harden & S. Cavanagh* Toxic shock syndrome after burns in children

70 Announcements

Letters to the Editor

71 *T. J. Hodgetts* Steps are required to improve pre-hospital care

71 *T. B. Hassan, S. Durham & A. MacNamara* Pre-hospital ABCs: getting the right message across!

72 *T. Beattie* Reduction of inappropriate attendances

73 *R. Cottingham* Training in major incident planning

73 *A. J. Ireland* Contamination of clothing in accident and emergency departments

73 *S. Ward* Head injuries in the accident and emergency department

74 *R. Harden & B. Tehan* Ecstasy toxicity

Conference proceedings

75 Abstracts of the Emergency Medicine Research Society Conference, 25–26 November 1994, Liverpool, UK

87 *P. Burdett-Smith* EMRS debate report

June 1995, Volume 12, Number 2, pp. 89–164

Review articles

89 *A. F. T. Brown* Anaphylactic shock: mechanisms and treatment

101 *J. R. Hedges* The role of CK-MB in chest pain decision-making

Original papers

107 *T. A. Farnsworth, S. Waine & A. McEvoy* Subjective perception of additional support requirements of elderly patients discharged from accident and emergency departments

111 *D. J. Hall, M. J. Williams and A. R. Wass* Life support courses for all

115 *D. L. Hughes & A. C. Crosby* Treatment of knee sprains: modified Robert Jones or elastic support bandage?

119 *A. W. K. Ang, S. M. Ko & E. H. Kua* Psychiatric referrals from an accident and emergency department in Singapore

123 *M. J. Clancy* Pneumatic anti-shock garment – does it have a future?

126 *F. A. I. Riordan, A. P. J. Thomson, J. A. Sills & C. A. Hart* Urgent full blood count in children over 3 months of age with bacterial meningitis

130 *M. A. Rider & M. N. Tarar* Burns caused by domestic alkalis

132 *N. Zoltie & G. Robertson* Changing standards for thrombosis in accident and emergency departments

Case reports

134 *A. F. T. Brown* Chainsaw penetrating neck injury

138 *R. J. Edwards & J. Ujma* Extreme methaemoglobinaemia secondary to recreational use of amyl nitrite

143 *S. M. Hewitt & R. J. Winter* Rhabdomyolysis following acute alcohol intoxication

145 *H. Rowley, J. Christian & A. Dennis* Pharyngeal perforation: an easily missed finding following intra-oral injury

147 *G. E. B. Giddins* Foreign body detected by patients using metal detectors

149 *K. E. Jones & C. A. J. McLaughlan* Unusual presentation of tuberculosis to the accident and emergency department

151 *D. M. Tole, L. C. Anderton & J. M. Hayward* Orbital cellulitis demands early recognition, urgent admission and aggressive management

154 *T. G. Barrett & G. D. Debelle* Near-fatal aspitation of a childs dummy: design fault or deliberate injury?

156 *W. U. Hassan & N. P. Keaney* Winging of the scapula: an unusual complication of chest tube placement

158 *D. G. Hargreaves, H. Gosal & A. L. H. Moss* Another cause for acute carpal tunnel syndrome: tricyclic overdose

Letters to the Editor

160 *M. Q. Choyce* Plaster checks
160 *A. Jones, K. O'Driscoll & L. C. Luke* Head injuries and the observation ward
161 *M. Stell* What should doctors wear in the accident and emergency department? Patients perception
162 *T. B. Hassan & F. G. Hickey* Trauma team concepts in the UK: tailoring resources to meet demand

163 **Announcement**
164 **Book review**

September 1995, Volume 12, Number 3, pp. 165–250

Review article

165 *R. Cutress* Fluid resuscitation in traumatic haemorrhage

Original papers

173 *K. Barrett. N. Buxton, A. D. Redmond, J. M. Jones, A. Boughey, A. B. Ward* A comparison of symptoms experience following minor head injury and acute neck strain (whiplash injury)

177 *S. J. Meek, G. Ruffles, J. Anderson & D. Ohiorenoya* Nurse practitioners in major accident and emergency departments: a national survey

182 *I. A. R. MacDonald & T. F. Beattie* Intussusception presenting to a paediatric accident and emergency department

187 *J. M. Kendall, P.E. Allen & S.E. McCabe* A tide of change in the management of an old fracture?

189 *S. H. Palmer & M. Maheson* A radiological review of cervical spine injuries from an accident and emergency department: has the ATLS made a difference?

191 *E. M. Molyneux & W. J. Robson* A dipstick test for urinary tract infections

194 *R. M. Walsh, J. P. Pracy, A. M. Huggon & M. J. Gleeson* Bomb blast injuries to the ear: The London Bridge incident series

199 *A.P. Gleeson & A.J. Gray* Management of retained ear-rings using an ear block

202 *S. M. Hay, M. Saleh & S. Shelton* Tibial fractures – a useful plastering technique

Case reports

206 *M. Lavis, S. McCarthy & N. H. Jenkins* The continuing need to formalize pre-hospital triage, highlighted by a case of unusual injury

208 *A. D. Hingorani & T. H. Foley* Non-sustained broad-complex tachycardia following intravenous adenosine

210 *J. B. Sheshgiri & N. Mullatti* Traumatic dissection of the internal carotid artery resulting in dense hemiplegia

212 *J. P. Wyatt & C. A. McAllister* Occupational phosgene poisoning: a case report and review

214 *F. L. Lau, C. K. Wong & S. H. Yip* Puffer fish poisoning

216 *G. J. Offer, D. Nanan & J. N. Marshall* Thermal injury to the upper aerodigestive tract after microwave heating of food

218 *R. J. Williams* A significant pneumothorax complicating a fractured clavicle

220 *F. S. Haddad, N. C. Hatrick & D. J. Shanahan* An unusual presentation of a ruptured abdominal aortic aneurysm

222 *P. A. Evans, R. D. Farnell, S. Moalypour & J. A. McKeever* Thrower's fracture: a comparison of two presentations of a rare fracture

225 *B. P. Shravat & S. N. Harrop* Broken hand or broken nose: a case report

Short reports

227 *J. Whittaker* An inaccurate blood glucose measurement: a sugar coated diabetic

228 *C. Watts & J. Stevenson* Sticky fingers

228 *R.P. Kumar* Non-traumatic acute haemoperitoneum due to hepatocellular carcinoma: a short report

Letters to the Editor

230 *A. Combalia & J. Nardi* Roentgenographic assessment of Achilles tendon rupture

231 *G. Galloway, A.T. Shulgin, H. Kornfeld, S. L. Frederick* Amphetamine, not MDMA, is associated with intracranial haemorrhage

232 *R. Evans & M. McCabe* Intracranial haemorrhage associated with ingestion of 'Ecstasy'? A response

233 **Announcements**

234 **Book reviews**

236 **Obituary**

238 **Supplementary Abstracts from the Fifth International Conference on Emergency Medicine, May 1994, London**

240 **Abstracts of the BAEM Conference, April 1995, Torquay, UK**

December 1995, Volume 12, Number 4, pp. 251–306

251 *P. M. O'Connor, K. E. Dowey, P. M. Bell, S. T. Irwin & C. H. Dearden* Unnecessary delays in accident and emergency departments: do medical and surgical senior house officers need to vet admissions?

255 *M. P. Deahl & J. I. Bisson* Dealing with disasters: does psychological debriefing work?

259 *K. F. H. Teale, I. R. Selby & M. R. James* General anaesthesia in accident and emergency departments

262 *D. Gibney, A. W. Murphy, M. Smith, G. Bury & P. K. Plunkett* Attitudes of Dublin accident and emergency department doctors and nurses towards the services offered by local general practitioners

266 *K. Y. Tham, P. W. Richmond & R. J. Evans* Senior house officers' work activities in an accident and emergency department

270 *G. D. Wood & K. A. Leeming* Oral and maxillofacial surgery in accident and emergency departments

273 *D. G. R. Jayamanne & R. F. Gillie* Orbital blow-out fractures: long-term visual outcome of associated ocular injuries

276 *P. M. Sugarman & D. J. Alderson* Training model for nasal packing

279 *H. Thomson, H. S. Kohli & M. Brookes* Non-emergency attenders at a district general hospital accident and emergency department

282 *P. A. Nee, P. E. Randall & J. Heyworth* Hepatitis B vaccination: uptake by medical staff in accident and emergency departments

286 *D. G. R. Jayamanne* Do patients presenting to accident and emergency departments with the sensation of a foreign body in the eye (gritty eye) have significant ocular disease?

Case reports

288 *T. H. Rainer & R. Crawford* Pre-hospital cardiopulmonary resuscitation and pneumoperitoneum

291 *A. F. MacNamara & S. Durham* Near asphyxiation with a child's dummy

293 *M. H. Ishaque, N. Mendoza & H. H. Crockard* Dysphagia and deformity after undetected odontoid fracture in elderly patients

296 *J. Ryan, C. A. Perez-Avila & N. Vaughan* Insulin dependent diabetes mellitus and deliberate self-harm

298 *A. Adeniran, J. A. E. Hobby & B. Bentley* Removal of minute foreign bodies

300 *S. C. Clark, M. W. Jones, R. R. Choudry & E. Smith* Bilateral patellar tendon rupture secondary to repeated local steroid injections

Short reports

302 *R. D. Hardern* Aspirin and suspected myocardial infarction: a life-saving treatment we too often forget

303 *B. Nathan, S. Premchandran & Y. K. Hashemi* Removal of fish bones from the throat
